2009 Summits Program

Camp Nashoba North is proud to continue offering the Summits Program to former Nashoba North campers who are currently in grade 10. CNN's Summits Program is committed to community service and volunteerism and is designed to encourage and support public service and stewardship in young people. It offers participants the opportunity to achieve up to 25 hours of team oriented community service while experiencing outdoor living. Previous volunteer programs have included project work with organizations such as the Appalachian Mountain Club, Habitat for Humanity, and the Good Shepherd Food Bank. Participants are involved in camp life and activities when in camp and are offered the opportunity take a leadership role in the development of one evening activity. The dates for the 2009 summer are August 6th - 20th and the tuition is \$2,000.
