Crescent Lake • Raymond, Maine

### Director's Corner

The arrival of spring is never a definite in New England. One certainty is a fantastic summer in Maine! As I look upon a fresh coating of 20" of snow here at the winter office I yearn for the laughter of campers and the call of the loons on Crescent Lake.

Soon we will be celebrating 100 days to the start of camp. Sending you all warm spring days.

All the best,  
*Sarah Seaward, Director*

### Paddle Crossings

What a great event! More than 25 campers and 10 staff members came together at the Central Rock Gym in Watertown, MA for our annual Massachusetts Camper Reunion. It was an afternoon full of fun and friendship. Thank you to all who came and enjoyed the afternoon with us.

In addition to competing for his school in Sailing Regattas, Dallas Butler (sailing counselor 2016 & 2017) is learning how to fly! Currently he takes 3 to 4 flight lessons a week and recently completed his first solo flight in a Cessna 172.

Cheri Lookner, CNN Camper, recently starred as "Rizzo" in the Brown Middle School's production of Grease. Congrats to Cheri on a fabulous performance

## Guitar 2018

We are thrilled to announce that Amy McNamara will be returning to Nashoba North this summer. Many campers will remember Amy from Summer 2016. She is excited to once again share her love of music and incredible talent as a singer and musician with the Nashoba North community.

### Bob's Tidbit

While at a recent American Camp Association Conference, I was reminded of this quote by Albert Einstein, "A person who never made a mistake never tried anything new". I believe this quote represents just one of the many aspects of camp that is so special. The opportunity to try something new in the supportive and nurturing environment that camp provides.

My hope is all campers take the opportunity this summer to try something new that is intriguing and challenging. I firmly believe you will find the support and encouragement needed to succeed, the confidence to take on new challenges in the future, and perhaps a new passion that you can enjoy and share with others.
