I understand that the camping experience involves activities and group interactions that may be new to me that they come with uncertainties that I may not deal with at home. Such risks include uneven terrain, standing and moving water, wildlife encounters including mammals, reptiles and insects. In addition there are certain unavoidable risks associated with various games and play activities such as collisions, wayward objects such as balls and other equipment and other risks. I am aware of these risks and assume them on behalf of myself. I understand that no environment is risk free, I understand the importance of abiding by the camp’s rules and agree to obey them.

By signing below I agree to everything contained in the above four paragraphs and state that the information I have provided is true to the best of my knowledge
